

ARE YOU READY TO PUSH A SOCIAL ENTERPRISE?

PROSTHETIST (20%) AT CIRCLEG

WHO WE ARE

CIRCLEG is a Swiss-East African social enterprise endorsing a holistic approach in the provision of lower-limb prosthetics. We develop a high-quality prosthesis designed for and with amputees and prosthetists in low- and middle-income countries. We work with the principles of the circular economy and believe in the power of a team with different backgrounds and experiences. By using recycled plastic in combination with a local supply chain we aim at generating a sustainable solution which has the potential to create a positive impact for people and the environment alike. Currently our team of 8 is working on the finalisation of the product and we will soon enter the production phase. Exciting times!

WHO YOU ARE

As we work in a highly dynamic & challenging environment, you bring:

- Professional experience as a prosthetist
- Positive attitude and intrinsic motivation to contribute to an impactful work
- Ability to adapt to a dynamic environment and different cultures
- Great communication skills (including fluency in english)
- Ability to manage and work in stressful situations

WHO WE ARE LOOKING FOR

We are looking for a highly motivated and passionate prosthetist to become a new team member on a part-time basis (20%).

Your role will entail:

- the support of the Circleg development team in Zurich
- the co-creation of a training program for prosthetists in East Africa
- the participation in the usability testing of the Circleg prosthesis in East Africa (beginning / middle of September 2022 for a duration of around 2-3 weeks)

WHAT WE CAN OFFER

Circleg is an organization with a strong vision that eventually aims at having a social and environmental impact. We can offer you a vibrant working environment, a job that touches technical, environmental, and social issues and a start-up salary.

WRITE US!

If you think we'd be a great match, please send us your CV and a short introduction to
